

OFFSHORE WORLD CHAMPIONSHIP

Qualifying Event Benefit Programs

As an official Offshore World Championship Qualifying event, your tournament will receive the following benefits and association with the world's largest international offshore fishing series:

- Qualifying Events will be included in the series tournament calendar with direct links from the Offshore World Championship electronic magazine, eNewsletter and website. The OWC electronic magazine will be distributed to the email and social audiences of Marlin, Salt Water Sportsman, Sport Fishing and Bonnier Fishing Events reaching over 100,000 email subscribers. Qualifying Events will share the OWC electronic magazine with their participants.
- Qualifying Events will be allowed to use the Offshore World Championship Qualifying Event logo in all tournament promotional materials
- Qualifying Events will receive an Offshore World Championship banner identifying the tournament as a qualifying event
- Qualifying Events will receive the Offshore World Championship electronic magazine to distribute to their participants
- Qualifying Event winner photos will be posted on the OWC Web site and social media. (Note: Qualifying Events must provide the photos and/or video links)
- Qualifying Events will receive a one-year subscription to Marlin and Salt Water Sportsman magazines in print (within U.S.) or digital format (outside U.S.) to award to participants at your discretion.
- Qualifying Events will receive an Offshore World Championship invitation to present to their winner.
- Qualifying Events receive special advertising rates for the Offshore World Championship electronic magazine
